

Shantell, age 12

Catching WWE on television is one of Shantell's favorite things! When not watching wrestling, she can often be found outdoors going for a walk, playing volleyball, or visiting the park. Shantell is happy when working with animals, she prefers Mexican food, and she considers sleeping one of her biggest hobbies. Black and red are her preferred colors, and she loves making others laugh.

Shantell is an inquisitive sixth grader.

A Christian family with pets, in which Shantell can be the oldest child is preferred; however, her caseworker will consider all family types. She would like to maintain contact with her brother following placement. Financial assistance may be available for adoption-related services.

For Colorado children, homestudied and non-homestudied Colorado families are encouraged to inquire; only homestudied families from out of state should do so.
